I want to be checked for cancer. Where do I go?

If you want to be checked for cancer and:

- You live in Delta County
- You make a low income
- You do not have health insurance
- You cannot get Medicare or Medicaid

You may be able to get help through one of the programs listed below. Each one may have different rules about how you qualify for services, so call the number listed for more information.

★ Delta County Indigent Health Care Program

If you live in Delta County you may be able to get help through the **Delta County Indigent Health Care Program**. You will need to fill out a form and show certain documents, such as a water bill, your mortgage or rent papers, or your driver's license to prove that you live in Delta County.

You do not have to be a U.S. citizen to get help. But if you have any documents (like visas) from Immigration and Naturalization Services (INS), you must show these. You will also need to tell how many family members live in your house. You will have to show how much money you make, so you also may need to show a paycheck stub.

For more information, call the number or go by the office listed below:

Delta County Indigent Health Care Program

200 W. Dallas Ave.
Cooper, TX 75432
(903) 395-4400 ext 2

★ Federally Qualified Health Centers

If you cannot get help from the Indigent Health Care Program, you may be able to see a doctor at a primary care clinic that will let you pay on a “**sliding scale.**” This means that the amount of money you pay is based on how many family members live in your house and how much money you make. For example, if you have a big family and make just a little money, you would pay less for medical care. If you have a smaller family or make a little more money, you would pay a little more.

For more information and to find the nearest clinic, call the number below:

Cooper Community Health Center

91 W. Side Sq.
Cooper, TX 75432
(903) 455-5986

For U. S. Military Veterans

★ If you are a **veteran**, you may be able to be seen at a **Veterans Affairs (VA) clinic**. To find out more about veteran’s benefits, go to <http://www.va.gov/healtheligibility/>. For more information, contact the Department of Veterans Affairs at the number below:

For Women

★ Women who want to get checked for **cervical cancer or breast cancer** may be able to get help through a special program called **Breast and Cervical Cancer Services (BCCS)**.

- To have a PAP test for cervical cancer, you must be 18 to 64 years old.
- To have a mammogram (breast cancer test), you must be 50 to 64 years old.
- You will need to show how much money you make, so you may be asked to show a paycheck stub.

Call the clinic below to see about making an appointment:

★ East Texas Medical Center Mobile Mammography Unit

The unit, which serves all of East Texas, provides convenient screening mammography (**breast cancer test**) at businesses, community events and East Texas Medical Center clinics and facilities throughout the region. The **screening mammogram** is available to women who meet the following screening criteria:

- Age 35 or older
- No breast problems such as a suspicious lump
- No mammogram within the last 12 months
- No breast implants
- No breast surgery within the past year
- No diagnosis of breast cancer within the past five years

Call the number below to find out when the unit will be in your area or to schedule an appointment:
