Access to Cancer Care For Low-Income and Uninsured Patients in Williamson County

I want to be checked for cancer. Where do I go?

If you want to be checked for cancer and:

- You live in Williamson County
- You make a low income
- You do not have health insurance
- You cannot get Medicare or Medicaid

You may be able to get help through one of the programs listed below. Each one may have different rules about how you qualify for services, so call the number listed for more information.

Williamson County Indigent Health Care Program

If you live in Williamson County you may be able to get help through the Williamson County Indigent Health Care Program. You will need to fill out a form and show certain documents, such as a water bill, your mortgage or rent papers, or your driver's license to prove that you live in Williamson County.

You do not have to be a U.S citizen to get help. But if you have any documents (like visas) from Immigration and Naturalization Services (INS), you must show these.

You will also need to tell how many family members live in your house. You will have to show how much money you make, so you also may need to show a paycheck stub.

For more information, call the number or go by the office listed below:

Williamson County and Cities Health
211 Commerce Cove, Ste 114
Round Rock, TX 78684
(512) 248-3252

Federally Qualified Health Centers

If you cannot get help from the Indigent Health Care Program, you may be able to see a doctor at a Primary Care clinic that will let you pay on a "sliding scale." This means that the amount of money you pay is based on how many family members live in your house and how much money you make. For example, if you have a big family and make just a little money, you would pay less for medical care. If you have a smaller family or make a little more money, you would pay a little more.

For more information and to find the nearest clinic, call the numbers below:

A.W. Grimes Medical Offices
2051 Gattis School Rd., Ste. 250
Round Rock, TX 78664
(512)238-5400

For Women

Women who want to get checked for cervical cancer or breast cancer may be able to get help through a special program called Breast and Cervical Cancer Services (BCCS).

- To have a pap test for cervical cancer, you must be 18 to 64 years old.
- To have a mammogram (breast cancer test), you must be 50 to 64 years old.
- You will need to show how much money you make, so you may be asked to show a paycheck stub.

Call one of the clinics below to see about making an appointment:

<table>

Appointments

When you go for your appointment, be sure to bring any medical records you have. This information will help the doctor understand your needs better. For example, bring:
- Results of past medical or lab tests
- Records of any treatments you have had
- A list of any medicines you are taking right now
What if I still cannot get help for cancer care?

If you cannot get help from the county program or a Federally Qualified Health Center, you may want to call one of the hospitals below.

The National Cancer Institute (NCI) has named four cancer centers in Texas as leaders in cancer research. Two centers are in Houston, one is in Dallas and one is in San Antonio. These centers focus on finding new treatments for cancer through clinical trial testing. To find out more, visit the Web sites or call the numbers below:

Cancer Therapy & Research Center at the UT Health Science Center at San Antonio
1-800-340-2872
http://www.uthscsa.edu/patient.shtml

The Dan L. Duncan Cancer Center at Baylor College of Medicine
(713) 798-1354
http://www.bcm.edu/cancercenter/

Harold C. Simmons Cancer Center at UT Southwestern Medical Center
(214) 645-HOPE (4673)
(800) 460-HOPE (4673)
http://www.simmonscancercenter.org/index.html

The University of Texas MD Anderson Cancer Center
1-877-MDA-6789 (1-877-632-6789)
http://www.mdanderson.org/contact_us/

The following hospitals in your area may also treat low-income or uninsured patients. You would need to contact each hospital to find out if you can make an appointment to be seen:
