

Texas Counties with Hospital-Based Cancer Programs, Freestanding Cancer Centers and/or NCI-Designated Cancer Centers

- ACoS-Approved Hospital-Based Cancer Programs
- Hospital-Based Cancer Programs with ACoS Components (Programs Not ACoS-Approved)
- ▲ Freestanding Cancer Centers
- NCI-Designated Cancer Centers

Source: Texas Cancer Information, May 2008
 Counties with shading or symbols have at least one of the specified hospitals or cancer centers.
 For example, there are two NCI-designated cancer centers in Harris County.
