ABOUT THE WEBINAR

Jennifer Nkonga, Director of the National HPV Vaccination Roundtable, with American Cancer Society will present on resources available through ACS and the roundtables.

Jennifer will specifically highlight the newly published Clinician & System Action Guides. The 6 guides are tailored to:

1. Nurses/MA's
2. Physicians, PA's, and NP's
3. Dental Providers
4. Office Administrative Teams
5. Large Health Systems
6. Small private practices

Jennifer will also touch on some of the other resources the roundtable has to offer, which are available through the online resource library.
